

Yasmin Detr  s, Ph.D.

CONTACT INFORMATION

Mailing Address: Department of Marine Sciences
University of Puerto Rico
P. O. Box 9013
Mayag  ez, P.R. 00681-9013

E-mail: ydetres@gmail.com

Phone: (787) 899-2048 ext. 283

Fax: (787) 899-2630

ACADEMIC & PROFESSIONAL ESSENTIAL

Academic Background

- Postdoctoral, 2001-2003. University of Puerto Rico, Mayag  ez Campus, P.R. Department of Marine Sciences (Bio Optical Oceanography). Research focus: *Saharan Dust Microbiology*.
- Ph.D. 2001. University of Puerto Rico, Mayag  ez Campus, P.R. Marine Sciences (Concentration Biological Oceanography). Research focus: *Effects of Ultraviolet Radiation in Tropical Marine Ecosystems, Evaluation of Photoprotective Mechanisms*.
- M.S. 1988. University of Puerto Rico, Mayag  ez Campus, P.R. Marine Sciences (Concentration Biological Oceanography). Research focus: *Marine Botany and Ecology*

Professional Experience

- Researcher, Bio Optical Oceanography, Department of Marine Sciences, University of Puerto Rico, Mayag  ez Campus, 2003-present.
- CO - Principal Investigator, NOAA Atmospheric Sciences Cooperative Science Center (University of Puerto Rico component). Research focus: Impact of Saharan Dust in the Eastern Caribbean (microbiology, remote sensing, atmospheric sampling and aerosol characterization, impact of aerosols to radiative transfer of visible and ultraviolet light). 2005 – present.
- Director, Puerto Rico Weather Camp 2007 & 2008, NOAA Center for Atmospheric Sciences (NCAS) at UPRM.
- Director, Marine Outreach Program, Sea Grant College Program, University of Puerto Rico, 2005-2007.

- Assistant Director for Program Development, Sea Grant College Program, 2004 -2005.

Relevant Publications.
